## **TITLE III – ELECTIONS**

### **Chapter 1.   *[Reserved]***

## **TITLE IV – NATURAL RESOURCES PROTECTION**

### **Chapter 1. NATURAL RESOURCES COMMISSION REGULATIONS FOR LICENSING AND PERMITS**

#### **I. AUTHORITY AND PURPOSE**

- A. **Authority.** As stated in Waganakising Odawak Statute 2001-04 and Waganakising Odawak Statute 2005-01 as amended: “The primary purpose of the Natural Resources Commission is to protect treaty hunting and fishing rights through monitoring resources and promulgating regulations that are consistent with the treaty rights and wise use of the resources. The Commission shall promulgate rules and regulations for all hunting, fishing, trapping and gathering, including subsistence and commercial, for the area within the boundary established by the Treaty of 1855, the 1836 Treaty Ceded Territory, and 1836 Treaty Ceded Waters.” To carry out its responsibilities, the powers granted the Commission under that Statute include: “To issue, suspend or revoke licenses [and permits] . . . addressing the commercial fishery and the harvest of the inland natural resources.”
- B. **Purpose.** The purpose of these regulations is to establish standards and procedures for the issuance, suspension, revocation and denial of licenses and permits issued by the Natural Resources Commission under LTBB natural resources laws and regulations for Great Lakes commercial and subsistence fishing, inland on-reservation hunting, fishing and gathering, and inland Ceded Territory hunting, fishing and gathering.

#### **II. DEFINITIONS**

- A. **None**

#### **III. PROCEDURES FOR ISSUANCE OF LICENSES**

##### **A. Duties Delegated to Department.**

1. The Natural Resources Department shall develop application forms, accept applications, and collect fees as set by the Commission, and issue

licenses and permits to persons eligible under applicable LTBB law and Commission regulations and policies.

2. Except as noted in subsection 3 below, the Department will only deny permits if the person does not meet statutory or regulatory requirements, if they are subject to a suspension or revocation order of the Commission or Tribal Court, or if a suspension or revocation action is pending.
3. In the event that a limited number of permits are available for a particular species or activity, and the number of applicants exceeds the available permits, the Commission will develop policies to allocate such permits.

- B. **Appeal to Commission.** Any person whose license is suspended, revoked or denied may request a hearing before the Commission in accordance with the procedures set out in Section V.

#### IV. **SUSPENSION OR REVOCATION OF LICENSES**

In the event that a licensee or permittee is convicted of violating any law or regulation within the Tribe's jurisdiction, including guilty and no-contest pleas, related to the licensed activity, the Commission may issue such suspension or revocation orders as it deems necessary and appropriate using the following guidelines.

A. **First time offenders.**

1. For first time civil convictions, a suspension will not exceed one (1) year.
2. For first time criminal convictions, a suspension shall not exceed five (5) years.

B. **Repeat offenders.**

1. For repeat offenders where both offenses are civil the suspension shall not exceed two (2) years.
2. For repeat offenders where one offense is civil and one criminal the suspension shall not exceed seven (7) years.
3. For repeat offenders where both offenses are criminal the suspension shall not exceed nine (9) years.

## **V. APPEALS**

- A. **Initial Action.** Since a suspension or revocation will generally follow Tribal Court convictions the Commission need not hold a hearing before taking suspension or revocation actions. The person against whom such action has been taken shall have the right to appeal the revocation or suspension in a hearing before the Commission only if the person is an enrolled LTBB citizen.
- B. **Notice.** Notices of suspensions and revocations shall be served upon the licensee by personal service or by United States mail. If the notice is served by mail, it shall be addressed to the licensee's last known address. It is the licensees' duty to keep the Commission informed of their current address.
- C. **Right to Hearing before Commission.** The notices to people subject to denial, suspension or revocation shall include a statement of the following:
  1. The right to a hearing before the Natural Resources Commission on the suspension or revocation.
  2. Must file a written notice of appeal request to the Commission for a hearing within thirty (30) days following the effective date of the Commission's action. Failure to properly request a hearing in a timely manner waives the person's right to a hearing or any other appeal of the Commission's decision.
- D. **Timing of Hearing**

After receipt of a written notice of appeal, the Commission shall schedule a hearing not later than thirty (30) calendar days after receipt of the request unless the Commission and person making the appeal mutually agree to an extension. Following the hearing the Commission shall make a decision to uphold, modify, or reverse the suspension or revocation.

**E. Conduct of Hearing**

1. The hearing must be held before a quorum of the Commission. The members of the Commission shall serve in the capacity of hearing officers; the Commission shall designate one member to serve as presiding officer.
2. The person challenging the suspension or revocation must appear personally at the hearing and may also bring an advocate (i.e. attorney, tribal member, friend, etc). Parties retaining an advocate who require fees shall retain the advocate at their own cost. Failure of a licensee to appear personally at the hearing, unless otherwise excused by the Commission, forfeits their right for further consideration.
3. The Commission reserves the right to directly question the licensee during the hearing.
4. The licensee shall have the right to present any evidence and witnesses the licensee believes supports reversal or modification of the Commission's action.
5. The Commission shall issue its decision upholding, modify or reversing the action in writing within thirty (30) days of the hearing. If the Commission finds that its initial action was based on misinformation, such as mistaken identity, it must reverse. Otherwise, the Commission will uphold, modify or reverse its initial action at its discretion based on the totality of the circumstances.

**F. Tribal Court Review**

1. Following a final decision of the Commission after a hearing under these Regulations, a licensee has a right to file an appeal with the Tribal Court. The burden of proof in the appeal process is on the applicant or licensee.
2. All appeals shall be in writing. A licensee shall have twenty (20) calendar days from the date of receiving the hearing decision of the Commission to file an appeal in writing with the Tribal Court.

The sole purpose of the Appeals Process will be to determine if there has been a clear error in the Commission's decision based on the documentation in the Commission's record including that provided by the licensee to the Commission before or during the hearing, or if the Commission made a procedural error that significantly prejudiced the licensee. The Tribal Court shall only overrule the decision of the Commission if the evidence cannot reasonably be construed to support the Commission's action. In the event the Tribal Court determines a prejudicial procedural error was made, it shall remand to the Commission to hold a new hearing in accordance with these Regulations.

### **IV. Waiver Process.** Where an offense or offenses are identified in Section III (A) of these regulations, or other licensing criteria and license issuance is still recommended, the recommendation shall be reviewed by the CWC (the licensing body) with recommendations from staff, such as the Social Services Program representative(s) and legal representative(s) for a final determination as to the issuance of a foster child care

The Licensee in question has the option to request a meeting with the CWC to protest a revocation. - F. Records that raise significant privacy or confidentiality concerns for the Tribe or a Tribal Citizen. This exemption includes personnel, counseling and medical records, and similar records the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. This exemption does not include withholding information pertaining to the Tribal Citizen except as provided in subsection A, records covered by the Tribe's attorney-client privilege under subsection B, or as otherwise provided by applicable law.
- G. Records within a pending investigation either before an administrative or judicial proceeding involving the Tribe or a Tribal Citizen.

#### **IV. Request and Disposition Forms.**

- A. Request form. The Executive Branch, through the Tribal Administrator or designee, shall prepare a request form that includes the name, address and contact information of the citizen making the request, the citizen's enrollment number, a description of the documents requested, whether the request is for copies or on-site review, and a signature and date line. There is a second form for internal LTBB office use and request tracking for the DPDO to fill out listing the document copies provided, documents reviewed on-site, and documents not provided under one or more of the exceptions listed in Section III. If the request is made as an Authorized Representative of another Tribal Citizen, a signed notarized statement of authority from such Tribal Citizen must be attached to the request form.
- B. The request form will be made available to all Tribal citizens, by sending, faxing or emailing it to them upon their written or verbal request, and through the LTBB website. Public Documents will only be subject to release or on-site review upon completion and submission of a signed request form.

#### **V. Processing Requests.**

- A. All Public Documents request forms submitted by Tribal Citizens will be receipt date stamped and forwarded to the DPDO. The DPDO will process the requests as follows:
  1. The DPDO will first review the request form to make sure that all information has been filled in and that the form is signed by the Tribal Citizen. In the event that the form is incomplete the DPDO will contact the Tribal Citizen by phone, email or mail, to inform the Citizen of the omitted information. The Citizen may come in and finish the form or submit a new form.

2. Once the DPDO determines that the form is complete, the DPDO will proceed with classification of the requested documents as Public Documents or documents falling under a Section III exception.
  - a. The DPDO will first check to see if any of the requested documents are available on public access portions of the LTBB website. Any such documents will automatically be classified as Public Documents. For such documents, the DPDO will contact the Tribal Citizen to ask if the Citizen prefers to access the documents on-line or would still like a copy.
  - b. Each department will be provided these Regulations, which will be periodically reviewed at directors' meetings. For documents not available through public access portions of the LTBB website, the DPDO will forward a copy of the request form to the department director where the requested document is housed. If the document is a Public Document, then the director will forward photocopies to the DPDO, or coordinate with the DPDO to arrange a time a place for on-site review if the Citizen has so requested. If one or more documents fall under a Section III exception, the director shall notify the DPDO of the exception in writing. If the director has any question as to the status of a document as a Public Document or Section III exception, the director shall request a review and opinion from the LTBB Legal Department.
  - c. The DPDO will send copies of requested Public Documents to the requesting Citizen at the address provided on the request form, or hand deliver the Public Documents to the Citizen at the governmental offices. If electronic copies of documents are available, the DPDO may provide them via email, compact disc, or by similar technology if the Citizen so prefers. In the event the Citizen has indicated a preference on the request form to review documents on-site rather than receive copies, the DPDO will coordinate such review with the appropriate department. The DPDO will also provide the Citizen a list of all documents that were not subject to review or release under Section III, along with a citation to the applicable subsection.
  - d. Fees. The DPDO shall collect a fee of 10 cents per page from the requesting Citizen for photocopied documents.
  - e. Timing. The DPDO will use best efforts to provide document copies or arrange for on-site review within 7 days of the receipt of a request. When this is not possible, due to factors such as

difficulty in locating archived documents or availability of department staff to coordinate review, the DPDO will notify the Citizen of the time it will take to process the request.

- f. Notification of Appeal Rights. If all or part of a Public Documents request is denied, the DPDO will provide written notification to the requesting Citizen of the right to file a complaint in LTBB Tribal Court within thirty (30) days of the denial.

3. To avoid releasing confidential documents, or failing to release documents that are no longer sensitive, a determination of the status of a document must be made each time a document request form is being processed under Section V, regardless of any notations on the documents. If necessary, document markings will be added, updated or corrected at the time of processing requests under these Regulations.

4. Public Documents. Public documents may be stored in any manner which is convenient or efficient, that reasonably protects them from loss or damage.

**VII. Legislative and Judicial Branches; the Election Board and the Prosecutor.** When requests are made for Legislative, Judicial, Election Board or Prosecutor's Office documents that are not in the possession of the Executive Branch, the Executive Branch shall forward such request to the appropriate office. - (1) Receiving notice from the NIGC that it has no objection to the issuance of the license; or
- (2) 30 days have elapsed since the responsible federal agency was notified of the Gaming Regulatory Commission's intent to issue the license and the federal agency has not responded; or

a. The Gaming Regulatory Commission shall deny an application for any class of license if, in the Gaming Regulatory Commission's opinion, the applicant does not meet the standards required for issuance of the requested license under these regulations and applicable law. b. The Gaming Regulatory Commission may deny an application at any time

during the application process, including after granting preliminary approval to the application.

c. The Gaming Regulatory Commission shall promptly notify an applicant that his/her application was denied and shall specify the reasons for the denial, including a list of criminal conviction(s), date(s), and location(s), if any, that contributed to the Gaming Regulatory Commission's decision to deny the application. 5. Waivers. Any enrolled member of the Tribe denied a license may request a waiver of the license standards, only to the extent allowed under Section IV (C)(3) pursuant to the hearing provisions set out in Section VII of these regulations. The eligible applicant must show that a waiver is in the best interests of the Tribe or the Gaming Regulatory Commission may not grant the requested waiver.

H. Renewals. Subject to the power of the Gaming Regulatory Commission to deny, revoke,

suspend, or limit licenses, any gaming license in force may be renewed for the next year with payment of applicable license and investigation fees as required by law and the regulations of the Gaming Regulatory Commission.
